

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kaushik Patel
DOCKET NO.: 21-46230.001-R-1
PARCEL NO.: 17-10-203-027-1142

The parties of record before the Property Tax Appeal Board are Kaushik Patel, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,323
IMPR.: \$10,677
TOTAL: \$12,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a single condominium unit within a 160-unit condominium building of concrete exterior construction. The building is approximately 53 years old. The unit features central air conditioning and a garage parking space. The property has a 12,000 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 3, 2020 for a price of \$120,000. The appellant reported that the seller was US Bank as Trustee for LSF9 Master Participation Trust, the parties to the transaction were not related, and the property sold through a realtor. The appellant also indicated the property was advertised for sale through the Multiple Listing Service (MLS) for a period of 288 days. The appellant also submitted copies of the

listing sheet, PTAX-203 Illinois Real Estate Transfer Declaration, and settlement statement, which lists commissions paid to Wilk Real Estate, ResiHome, and Red Carpet Realty & Rent. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,714. The subject's assessment reflects a market value of \$157,140, when using the 10% level of assessment under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted a document entitled Condominium Analysis Results for 2021, which was based on the sales of 44 units in the subject building to estimate the value of the condominium under appeal. The board of review arrived at a total consideration for the 44 sales of \$6,504,405. The board of review analysis indicated these properties had a combined 26.0705% ownership interest in the condominium. Dividing the total consideration by the percentage of ownership in the condominium resulted in a full value of the condominium building of \$24,949,291 which results in a total combined assessment for the condominium building of \$2,494,929 when applying the 10% Ordinance level of assessment for class 2-99 property. Multiplying the full value of the condominium building by the percentage ownership of the unit under appeal of .6299% results in a market value of \$157,156 or an assessed value of \$15,716 when applying the 10% Ordinance level of assessment for class 2-99 property.

The board of review noted that the subject's sale was due to a foreclosure and that the sale price was given consideration in its analysis. The board of review also submitted a copy of the MLS listing sheet with a notation of the subject's \$120,000 sale price.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August 2020 for a price of \$120,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market with the Multiple Listing Service, and it had been on the market for 288 days. In further support of the transaction the appellant submitted a copy of the settlement statement, PTAX-203 Illinois Real Estate Transfer Declaration, and listing sheet. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any

evidence to challenge the arm's length nature of the transaction. The Board gives less weight to the analysis presented by the board of review, which included sales occurring in 2018 and 2019, less proximate to the assessment date at issue. This analysis fails to overcome the arm's length nature of the subject's sale. Based on this record the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
