

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Galowich
DOCKET NO.: 21-46397.001-R-1
PARCEL NO.: 14-33-310-046-0000

The parties of record before the Property Tax Appeal Board are David Galowich, the appellant, by attorney Joanne Elliott, of Elliott & Associates Attorneys, PLLC in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$35,363
IMPR.: \$73,647
TOTAL: \$109,010

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,015 square feet of living area. The dwelling is approximately 133 years old. Features of the home include a full basement with finished area, central air conditioning, and a 2-car garage. The property has a 2,829 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on ten equity comparables with the same assessment neighborhood code as the subject. The comparables are class 2-05 properties improved with 2-story dwellings of frame or masonry exterior construction ranging in size from 1,904 to 2,180 square feet of living area. The dwellings are 125 to 138

years old. Eight comparables have full unfinished basements and two comparables have crawl space foundations. Eight comparables have central air conditioning. Six comparables each have one to three fireplaces. Six comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$36,750 to \$65,488 or from \$19.30 to \$31.13 square feet of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$109,010. The subject property has an improvement assessment of \$73,648 or \$36.55 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are class 2-05 properties improved with 2-story dwellings of masonry or frame exterior construction ranging in size from 1,909 to 2,015 square feet of living area. The homes are 132 to 147 years old. Three comparables have full basements with two having finished area and one comparable has a crawl space foundation. Each comparable has central air conditioning. Three comparables each have one fireplace. Three comparables each have a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$73,648 to \$102,275 or from \$36.55 to \$52.61 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains 14 suggested comparables for the Board's consideration. The Board gives less weight to appellant's comparables #1, #3, #4, #9 and #10 as well as board of review comparables #3 and #4 due to lack of a basement, central air conditioning and/or garage amenity when compared to the subject. The Board gives less weight to appellant's comparables #2 and #5 due to their distant locations being over one mile away from the subject and less proximate to the subject than the remaining comparables in the record.

The Board finds the best evidence of equity to be appellant's comparables #6, #7 and #8 along with board of review comparables #1 and #2 which overall are more similar to the subject in location, age, dwelling size, and features. These comparables have improvement assessments ranging from \$61,776 to \$83,175 or from \$29.70 to \$43.57 per square foot of living area, respectively. The subject's improvement assessment of \$73,648 or \$36.55 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject,

the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
