

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keli Jennings
DOCKET NO.: 21-46459.001-R-1
PARCEL NO.: 25-07-106-026-0000

The parties of record before the Property Tax Appeal Board are Keli Jennings, the appellant, by Amy C. Floyd, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,250
IMPR.: \$28,750
TOTAL: \$35,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 2,320 square feet of living area. The dwelling is approximately 100 years old. Features of the home include an unfinished basement and a 2-car garage. The property has an approximately 5,000 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-06 dwellings of frame or masonry exterior construction ranging in size from 2,230 to 2,614 square feet of living area. The homes range in age from 92 to 107 years old. One comparable has a basement, one comparable has a crawl

space foundation and two properties each have a concrete slab foundation. Comparable #1 has central air conditioning and a fireplace. The comparables have improvement assessments ranging from \$11,257 to \$25,250 or from \$5.05 to \$9.66 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$21,344 or \$9.20 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,000. The subject property has an improvement assessment of \$28,750 or \$12.39 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-06 dwellings of masonry exterior construction ranging in size from 2,211 to 2,241 square feet of living area. The homes are 73 or 81 years old. Each comparable has a basement with finished area and central air conditioning. Two dwellings have one or two fireplaces and one property has a 2-car garage. The comparables have improvement assessments ranging from \$27,800 to \$33,575 or from \$12.41 to \$15.04 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gives less weight to appellant comparable #1 which appears to be an outlier based on its per square foot improvement assessment when compared to other properties in the record. The Board gives less weight to appellant comparables #2, #3 and #4 which differ from the subject in foundation type. The Board also gives less weight to board of review comparable #3 which is less similar in age when compared to the subject. The Board finds the best evidence of assessment equity to be board of review comparables #1 and #2 which are similar to the subject in location, design, and dwelling size. However, these properties are newer in age, have basement finished area, central air conditioning and lack a garage amenity suggesting adjustments are needed to make these properties more equivalent to the subject. These two comparables have improvement assessments of \$27,800 and \$33,575 or \$12.41 and \$15.04 per square foot of living area. The subject's improvement assessment of \$28,750 or \$12.39 per square foot of living area is bracketed by the two best comparables in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
