

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

PPELLANT: Don Albert
DOCKET NO.: 21-46533.001-R-1 through 21-46533.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Don Albert, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-46533.001-R-1	13-02-420-048-1001	3,938	10,912	\$ 14,850
21-46533.002-R-1	13-02-420-048-1002	3,938	10,912	\$ 14,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2021. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of two condominium units with a 50.00% total ownership interest in the common elements, and 900 square feet of living area each. The property is located in Jefferson Township, Cook County. The subject units are all classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether any of the subject units are owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on seven sale comparables. These sale comparables sold between September 2019 and July 2021 for \$128,000 to \$185,000, or \$213.90 to \$256.98 per square foot of living area, including land. These sale comparables were not located in the subject's building. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$27,485.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$35,998. The subject’s assessment reflects a market value of \$359,980, or \$199.99 per square foot of living area, including land, when applying the 2021 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three sale comparables. These sale comparables sold from March 2019 to August 2022 for \$210,684 to \$220,746, or \$213.90 to \$256.98 per square foot of living area, including land. These sale comparables were not located in the subject’s building.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject’s assessment is warranted.

“Real property taxes . . . which are authorized by law to be assessed against and levied upon real property shall be assessed against and levied upon each unit and the owner’s corresponding percentage of ownership in the common elements as a tract, and not upon the property as a whole.” 765 ILCS 605/10(a).

The Board finds the best evidence of market value to be appellant’s sale comparables #2, #4, #6, and #7. These sale comparables sold for prices ranging from \$146.00 to \$168.18 per square foot of building area, including land. The subject’s assessment reflects a market value of \$199.99 per square foot of building area, including land, which is above the range established by the best comparables in this record. Based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject’s assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
