

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ABC Turnkey Properties  
DOCKET NO.: 21-47513.001-R-1  
PARCEL NO.: 20-32-401-002-0000

The parties of record before the Property Tax Appeal Board are ABC Turnkey Properties, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,437  
**IMPR.:** \$13,562  
**TOTAL:** \$15,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 1,690 square feet of living area.<sup>1</sup> The dwelling is approximately 97 years old. Features of the home include a full basement, one fireplace, and a 2-car garage. The property has a 3,750 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that are located within the same neighborhood code as the subject property and from 0.7 of a mile to 1.2 miles from the subject. The comparables are improved with 1.5-story, class 2-03 dwellings of masonry exterior construction ranging in size from 1,660 to 1,779 square

feet of living area. The dwellings range in age from 98 to 107 years old. Each comparable has a full basement and a 2-car garage. One comparable has a fireplace. The comparables have improvement assessments ranging from \$4,250 to \$7,199 or from \$2.52 to \$4.34 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$4,293 or \$2.54 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,999. The subject property has an improvement assessment of \$13,562 or \$8.02 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables that are located within the same neighborhood code and on the same block as the subject property, three of which are also located on the same street as the subject. The comparables are improved with 1.5-story, class 2-03 dwellings of masonry exterior construction ranging in size from 1,383 to 1,690 square feet of living area. The dwellings are each 97 years old. The comparables each have a basement, three of which have finished area. Three comparables each have central air conditioning, three comparables each have one fireplace, and each comparable has a 2-car garage. The comparables have improvement assessments ranging from \$14,562 to \$15,740 or from \$9.25 to \$11.25 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellant's comparable #1 as well as board of review comparables #3 and #4, two of which are located on the same block as the subject. These three comparables are more similar to the subject in location, age, design, and dwelling size with varying degrees of similarity in other features. The best comparables have improvement assessments ranging from \$4,490 to \$15,740 or from \$2.52 to \$9.31 per square foot of living area. The subject property's improvement assessment of \$13,562 or \$8.02 per square foot of building area falls within the range established by the best comparables in this record. The Board gives less weight to the appellant's comparables #2 and #3 as well as board of review comparables #1 and #2 due to substantial differences in location or dwelling size when compared to the subject. After considering the various adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
