PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ahmad Ansari, the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-47955.001-R-1	19-35-315-014-0000	2,520	6,931	\$9,451
21-47955.002-R-1	19-35-315-015-0000	2,520	6,932	\$9,452

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels improved with a 1-story dwelling of masonry exterior construction with 1,118 square feet of living area. The home is approximately 64 years old. Features of the home include a full basement and a 2-car garage. The property has a 6,250 total square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the subject's assessment neighborhood code as the subject property. The comparables are improved with 1-story, class 2-03 dwellings of masonry exterior construction

ranging in size from 1,246 to 1,335 square feet of living area.¹ The homes are either 61 or 64 years old. Each comparable has a full basement and a 2-car garage. Two comparables each have central air conditioning and one comparable has a fireplace. The comparables have improvement assessments of either \$14,061 or \$15,061 and of either \$11.28 or \$11.30 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$12,622 or \$11.29 per square foot of living area.

The appellant's submission included a copy of the "Cook County Board of Review" final decision dated September 23, 2022 which disclosed the subject has a total assessment for the two parcels of \$18,903. The "Addendum to Petition" disclosed the subject's total assessment reflects a total land assessment of \$5,040 and a total improvement assessment of \$13,863 or \$12.40 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" for only one of the parcels under appeal. Nevertheless, in support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located in the subject's assessment neighborhood code and on the same block as the subject property. The Board finds comparable #1 is the second parcel under appeal. Comparables #2, #3, and #4 are improved with 1-story, class 2-03 dwellings of masonry exterior construction with either 1,040 or 1,058 square feet of living area. The homes are either 61 or 65 years old. Each comparable has a full basement, two of which have finished area, central air conditioning, and a 2-car garage. The comparables have improvement assessments ranging from \$15,480 to \$16,976 or from \$14.88 to \$16.05 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested equity comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the board of review's comparables #2, #3, and #4 as they are more similar to the subject in location, age, dwelling size, with varying degrees of similarity in other features. These comparables have improvement assessments ranging from \$15,480 to \$16,976 or from \$14.88 to \$16.05 per square foot of living area. The subject's improvement assessment of \$13,863 or \$12.40 per square foot of living area falls below the range established by the best comparables in this record. The Board gives less weight to the appellant's comparables which are less similar to the subject in dwelling size than the board of

review comparables. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
