

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sally Sullivan  
DOCKET NO.: 21-48338.001-R-1  
PARCEL NO.: 13-07-132-070-0000

The parties of record before the Property Tax Appeal Board are Sally Sullivan, the appellant(s), by attorney Dimitrios Trivizas, of Dimitrios P. Trivizas, Ltd. in Skokie; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,503  
**IMPR.:** \$14,397  
**TOTAL:** \$21,900

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 68-year-old, one-story, single-family dwelling of masonry construction with 1,056 square feet of living area. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The property is a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its argument, appellant submitted an appraisal estimating the subject property had a market value of \$219,000 as of January 1, 2021. The appraiser utilized the sales comparison approach based on five comparable properties that sold between March 2019 and October 2020, and determined the market value for the subject property after adjustments. Appellant also submitted a copy of the board of review's decision letter reflecting a total assessment for the subject property of \$29,003.

Based on this evidence, appellant requests the subject property's total assessment be reduced to \$21,900.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,003. The subject's assessment reflects a market value of \$290,030 or \$274.65 per square foot of living area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted four sales comparable properties. The comparable properties were each improved with either a one-story or a one-and-one-half-story dwelling of either masonry or frame construction with living square foot area ranging from 1,080 to 1,287. Three of the board of review's comparables sold between May of 2019 and October of 2020 for prices ranging from \$269.44 to \$388.33 per square foot of living area, including land.

### **Conclusion of Law**

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant *did meet* this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by appellant*. The appraiser utilized the sales comparison approach based on five comparable properties and determined the market value for the subject property after adjustments. The subject's assessment of \$29,003 reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$219,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
