

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 2434 W. Pensacola, LLC  
DOCKET NO.: 21-48388.001-R-1  
PARCEL NO.: 13-13-402-037-0000

The parties of record before the Property Tax Appeal Board are 2434 W. Pensacola, LLC, the appellant(s), by attorney Dimitrios Trivizas, of Dimitrios P. Trivizas, Ltd. in Skokie; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$14,700  
**IMPR.:** \$64,300  
**TOTAL:** \$79,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 6,125 square foot parcel of land improved with a 99-year-old, 2-story, frame and masonry construction, multi-family dwelling, containing 2,924 square feet of living area. The property is located in Chicago, Jefferson Township, Cook County and is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity as the basis of the appeal. In support of its arguments, appellant submitted information on four suggested equity comparables. Each of the comparables was improved with a 2-story, multi-family dwelling, of either frame or masonry construction. They ranged in living area square footage from 2,880 to 3,000 and in improvement assessment from \$17.80 to \$18.50 per square foot of living area. In addition, appellant submitted a copy of the board of review's written decision reflecting a final assessment for the subject property of

\$79,000. Based on this evidence, appellant requested a reduction in the subject's assessment to \$67,683.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation for the subject property of \$79,000, with an improvement assessment of \$64,300, or \$21.99 per square feet of living area. In support of its contention of the correct assessment, the board of review submitted four equity comparable properties. They were each improved with a 2-story, multi-family dwelling, of either frame, frame and masonry, or masonry construction. They ranged in living area square feet from 2,834 to 2,976 and in improvement assessment of \$20.64 to \$24.53 per square foot of living area.

### **Conclusion of Law**

The taxpayer asserts assessment inequity as the basis of the appeal. The Illinois Constitution requires that real estate taxes, "be levied uniformly by valuation ascertained as the General Assembly shall provide by law." Ill. Const. art. IX, §4 (1970); Walsh v. Property Tax Appeal Board, 181 Ill. 2d 228, 234 (1998). This uniformity provision of the Illinois Constitution does not require absolute equality in taxation, however, and it is sufficient if the taxing authority achieves a reasonable degree of uniformity. Peacock v. Property Tax Appeal Board, 339 Ill. App. 3d 1060, 1070 (4<sup>th</sup> Dist. 2003).

When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e); Walsh, 181 Ill. 2d at 234 (1998). Clear and convincing evidence means more than a preponderance of the evidence, but it does not need to approach the degree of proof needed for a conviction of a crime. Bazyldo v. Volant, 164 Ill. 2d 207, 213 (1995). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not* meet this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables #2 and #4 and the board of review's comparable #2*. These comparables had improvement assessments that ranged from \$17.80 to \$22.37 per square foot of living area. They were most similar to the subject property in living area square footage. The subject's improvement assessment of \$21.99 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
