

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy McSweeney
DOCKET NO.: 21-48734.001-R-1
PARCEL NO.: 24-14-109-038-0000

The parties of record before the Property Tax Appeal Board are Timothy McSweeney, the appellant, by Mary Kate Gorman, Attorney at Law in Tinley Park; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,040
IMPR.: \$17,960
TOTAL: \$23,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry exterior construction with 956 square feet of living area. The dwelling is approximately 65 years old. Features of the home include a full unfinished basement, 1 bathroom and a 1-car garage. The property has a 5,040 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three comparables with the same neighborhood code as the subject and within 0.46 to 0.57 of a mile from the subject. The comparables consist of class 2-02 dwellings of masonry exterior construction ranging in size from 816 to 928 square feet of living area. The dwellings are 69 to 71 years old.

The appellant reported each comparable has a full basement and either 1 or 1.5 bathrooms. The appellant did not report whether the basements have finished area. Two comparables each have central air conditioning, and one comparable has a 2.5-car garage. The comparables have improvement assessments ranging from \$10,491 to \$11,090 or from \$11.88 to \$13.59 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$12,046 or \$12.60 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,000. The subject property has an improvement assessment of \$17,960 or \$18.79 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables with the same neighborhood code and are located within the same block as the subject. The comparables consist of class 2-02 one-story dwellings of masonry exterior construction ranging in size from 914 to 960 square feet of living area. The dwellings are 65 or 66 years old. Each comparable has a full basement, two of which have finished area, 1 bathroom, and either a 1.5-car or a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments that range from \$17,347 to \$18,685 or from \$18.88 to \$19.46 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 which differ from the subject in dwelling size and/or lack a garage, unlike the subject. The Board also gives less weight to the board of review comparables #1 and #4 which have basement finish, unlike the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables that are similar to the subject in location, design, dwelling size, age and other features. The three comparables have improvement assessments of \$11,021 and \$17,347 or ranging from \$11.88 to \$18.98 per square foot of living area. The subject's improvement assessment of \$17,960 or \$18.79 per square foot of living area falls above these comparables on an overall basis but within the range of the comparables on a per-square-foot basis, which is logical given the subject's larger dwelling size relative to these comparables. Based on this evidence, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
