

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barbara McGurn  
DOCKET NO.: 21-48741.001-R-1  
PARCEL NO.: 24-13-418-018-0000

The parties of record before the Property Tax Appeal Board are Barbara McGurn, the appellant, by Mary Kate Gorman, Attorney at Law in Tinley Park; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,636  
**IMPR.:** \$20,364  
**TOTAL:** \$26,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of masonry exterior construction with 1,481 square feet of living area. The dwelling is 75 years old. Features of the home include an unfinished basement,<sup>1</sup> central air conditioning, one fireplace and a 2-car garage. The property has a 5,636 square foot site located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located within the same neighborhood code as the subject. The comparables are improved with single-family dwellings of masonry exterior construction ranging in size from

<sup>1</sup> The Board finds the best description of the subject property was found in the grid analysis submitted by the board of review and not refuted by the appellant.

1,213 to 1,728 square feet of living area. The dwellings are 74 or 109 years old and have basements. Two comparables each have a 1-car or a 1.5-car garage. The comparables have improvement assessments ranging from \$13,625 to \$19,275 or from \$10.43 to \$11.23 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$16,202 or \$10.94 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,000. The subject property has an improvement assessment of \$20,364 or \$13.75 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same neighborhood code as the subject. The comparables are improved with two-story dwellings of masonry exterior construction ranging in size from 1,422 to 1,477 square feet of living area. The dwellings are from 68 to 80 years old and have basements, one of which has finished area. Two comparable each have central air conditioning, three comparables each have one or two fireplaces, and each comparable has from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$19,195 to \$26,127 or from \$13.00 to \$18.14 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3 which differ from the subject in age, dwelling size and/or lack a garage, unlike the subject. The Board also gives less weight to board of review comparable #2 which has a basement finish, unlike the subject's unfinished basement.

The Board finds the best evidence of assessment equity to be the appellant's comparable #1 and the board of review comparables #1, #3 and #4. These comparables are more similar to the subject in location, design, age, dwelling size, and most features. These four comparables have improvement assessments ranging from \$15,250 to \$24,000 or from \$10.43 to \$16.28 per square foot of living area. The subject's improvement assessment of \$20,364 or \$13.75 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
