

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mark O'Malley  
DOCKET NO.: 21-48810.001-R-1  
PARCEL NO.: 17-33-304-033-0000

The parties of record before the Property Tax Appeal Board are Mark O'Malley, the appellant, by Mary Kate Gorman, Attorney at Law, in Tinley Park, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,750  
**IMPR.:** \$19,624  
**TOTAL:** \$33,374

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry exterior construction with 1,080 square feet of living area and which is approximately 46 years old. Features include a full unfinished basement, 1½ bathrooms, central air conditioning, and a two-car garage. The property has a 3,125 square foot site and is located in Chicago, South Chicago Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity concerning the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the same neighborhood code as the subject and from .15 to .42 of a mile from the subject. The comparables consist of class 2-03 dwellings of masonry exterior construction which range in age from 54 to 59 years old. The dwellings contain 1,083 or 1,140 square feet of living area and have full basements, 1 full bathroom, and a two-car garage. The

comparables have improvement assessments ranging from \$19,608 to \$20,906 or from \$17.20 to \$18.99 per square foot of living area.

Based on this evidence, the appellant requested a reduced improvement assessment of \$19,624 or \$18.17 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." The appellant supplied a copy of the Final Decision for tax year 2021 issued by the Cook County Board of Review disclosing the total assessment for the subject of \$40,610.<sup>1</sup> The subject property has an improvement assessment of \$26,860 or \$26.16 per square foot of living area for tax year 2021.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same neighborhood code as the subject and either on the same block or within ¼ of mile from the subject. The comparables consist of class 2-03 one-story dwellings of masonry exterior construction which range in age from 33 to 46 years old. The dwellings contain either 1,080 or 1,120 square feet of living area and have full basements, one of which has finished area, 1 to 2 bathrooms, central air conditioning, and three comparables each have a two-car garage. The comparables have improvement assessments ranging from \$14,895 to \$17,361 or from \$13.30 to \$16.07 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of seven suggested equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #2 and #3 along with board of review comparables #2 and #3, due to significant differences in ages when compared to the subject property.

The Board finds the best evidence of assessment equity to be appellant's comparable #1 along with board of review comparables #1 and #4, which are each relatively similar to the subject in location, dwelling size, age, foundation type, and some other features. Adjustments for bathroom count and/or lack of air conditioning feature are necessary to make these comparables more equivalent to the subject. The best comparables have improvement assessments ranging

<sup>1</sup> The "Board of Review – Notes on Appeal" disclose a total assessment for the subject of \$28,221 with an improvement assessment of \$14,471. These same assessment figures were used in the analysis as to the subject dwelling.

from \$15,910 to \$19,608 or from \$14.73 to \$17.20 per square foot of living area. The subject's improvement assessment of \$26,860 or \$26.16 per square foot of living area is above the range of the best comparables both in terms of overall improvement assessment and on a per-square-foot of living area basis.

Based on this record and after considering appropriate adjustments to the comparables for differences, the Board finds the appellant established with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
