

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John J. Meer
DOCKET NO.: 21-50520.001-R-1
PARCEL NO.: 13-09-107-036-0000

The parties of record before the Property Tax Appeal Board are John J. Meer, the appellant, by attorney Abby L. Strauss of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,250
IMPR.: \$34,183
TOTAL: \$40,433

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame and masonry exterior construction with 1,627 square feet of living area. The dwelling is approximately 94 years old. Features of the home include a full unfinished basement, 2 bathrooms and a 1-car garage. The property has a 3,125 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on nine equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-03 properties that are improved with dwellings of frame and masonry exterior construction ranging in size from 1,449 to 1,766 square feet of living area. The dwellings are from 62 to 100 years old. Eight

comparables each have a full basement and comparable #1 has a crawl space foundation. No data was provided by the appellant concerning finished basement area. Each comparable has 1 or 2 bathrooms, three comparables have central air conditioning, comparable #9 has a fireplace and six comparables each have either a 1.5-car or a 2-car garage. The comparables have improvement assessments that range from \$17,740 to \$26,736 or from \$10.78 to \$16.13 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$24,031 or \$14.77 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,433. The subject property has an improvement assessment of \$34,183 or \$21.01 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject. The comparables are class 2-03 properties that are improved with 1.5-story dwellings of frame and masonry exterior construction ranging in size from 1,491 to 1,624 square feet of living area. The dwellings are from 94 to 98 years old. Each comparable has a full basement, one of which has finished area. Two comparables have central air conditioning. Each comparable has either 1½ or 2 bathrooms and a 2-car garage. Comparable #1 has a fireplace. The comparables have improvement assessments that range from \$34,500 to \$36,560 or from \$22.51 to \$23.14 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted twelve comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 through #7 and #9, as well as board of review comparable #2 due to their lack of central air conditioning and/or a garage and/or they are less similar to the subject dwelling in age. Additionally, the appellant's comparable #1 has a dissimilar crawl space foundation, when compared to the subject's basement foundation.

The Board finds the best evidence of assessment equity to be appellant's comparable #8, along with board comparables #1 and #3, which are similar to the subject in location and overall, more similar to the subject in dwelling size, age, foundation type and some features. These comparables have improvement assessments that range from \$22,494 to \$36,560 or from \$15.52 to \$22.93 per square foot of living area. The subject's improvement assessment of \$34,183 or \$21.01 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for

differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
