FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Anand Sheth Country Holdings 5 LLC
DOCKET NO.: 21-51343.001-R-1
PARCEL NO.: 15-16-401-095-0000

The parties of record before the Property Tax Appeal Board are Anand Sheth Country Holdings 5 LLC, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$2,633
IMPR.:	$13,520
TOTAL:	$16,153

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and a half-story dwelling of frame and masonry construction with 1,167 square feet of living area. The dwelling is approximately seventy-seven years old. Features of the home include a full basement with a finished rec room and a one-car garage. The property has a 4,788 square foot site and is in Westchester, Proviso Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on March 8, 2021 for a price of $129,245. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price. The appellant supported the overvaluation argument with various documents including a settlement statement, warranty deed and sales contract.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $16,153. The subject's assessment reflects a market value of $161,530 or $110.75 sales price per square foot of living area or $11.59 per square foot of living area, land included, when using the 2021 three-year average median level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four sales. They ranged from August 2018 to December 2019 for sales prices ranging from$165,000 to $200,000 or $127.36 to $191.02 sales price per square foot. The board of review properties were similar in age, features, size and general location. The board of review is asking for no change in assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value in the record to be the comparable sales submitted by the board of review. These comparables were similar to the subject in location, style, construction, features, age and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from $127.36 to $191.02 per square foot of living area, including land or $8.80 to $13.07 assessed per square foot. The subject's assessment is *within* the range established by the best comparable sales in this record. The Board gave reduced weight to the subject's sale due to the fact the filing did not evidence the sale was advertised or exposed on the open market. Board finds the subject's assessment *is* reflective of market value and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
