

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lydia Pomaville  
DOCKET NO.: 21-51364.001-R-1  
PARCEL NO.: 10-33-309-005-0000

The parties of record before the Property Tax Appeal Board are Lydia Pomaville, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,950  
**IMPR.:** \$41,050  
**TOTAL:** \$55,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 7-year-old, two-story, single-family dwelling of frame construction with 2,602 square feet of living area. Located in Chicago, Jefferson Township, Cook County, the subject property has a 6,200 square foot site. The subject property is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$550,000 after appropriate adjustments, as of January 1, 2021. The appraiser utilized the sales comparison approach based on three sales comparables that sold between June of 2019 and October of 2020 for prices ranging from \$520,000 to \$535,000. Appellant also submitted a copy of the board of review's written decision providing for a total assessed valuation for the subject property of

\$74,077. Based on this evidence, appellant requests the subject property's total assessment be reduced to \$55,000.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$74,077, with an improvement assessment of \$60,127. The subject's assessment reflects a market value of \$740,770, or \$284.69 per square foot of living area when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four comparable properties. Each of the comparable properties were improved with a two-story, single-family dwelling, of either masonry or frame and masonry construction and ranged in size between 2,293 and 3,194 square feet of living area and in age between 16 and 51 years old. Three of the board of review's comparables sold between April of 2021 and December of 2021 for prices ranging from \$181.59 to \$344.53 per square foot of living area, including land.

This matter was set to proceed to hearing. Prior to hearing, the parties submitted a written request to waive hearing and for this matter to be written on the evidence previously submitted. The administrative law judge granted the parties' request.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by appellant*. The appraiser utilized the sales comparison approach based on three sales comparables. After the appraiser made appropriate adjustments, the appraiser estimated the market value of the subject property to be \$550,000 as of January 1, 2021. The subject's assessment of \$74,077 reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$550,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
