

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marcelo Aguilar
DOCKET NO.: 21-51582.001-R-1
PARCEL NO.: 12-01-324-030-0000

The parties of record before the Property Tax Appeal Board are Marcelo Aguilar, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,710
IMPR.: \$18,000
TOTAL: \$28,710

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a single-family, one-story dwelling of masonry construction containing 990 square feet of living area. As of the instant lien date the subject was approximately 66 years old. Features of the home include a full formal recreation room basement, no air conditioning, and a two-car garage. The subject has a 5,355 square foot site and is in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant's appeal is based on overvaluation, and Appellant submitted information on four suggested sales comparables. All are masonry construction. One has air conditioning. As of the lien date, Appellant's comparables ages range from 61 to 78 years old. Appellant's comparables range in size from 888 square feet to 997 square feet of living area. The comparables have sites ranging in size from 3,250 to 6,715 square feet of land area. The comparables sold between Jan-

uary 1, 2019 and April 12, 2021 for prices ranging from \$250,000 to \$289,999 or from \$263.16 to \$290.87 per square foot of living area, including land. Each comparable has the same neighborhood code as the subject property, with no further evidence of proximity to the subject provided.

The Cook County Board of Review (BOR) submitted its "Board of Review Notes on Appeal." The subject's assessment is \$32,146 which reflects a market value of \$321,460 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The subject's assessment reflects a market value of \$324.71 per square foot of living area, including land.

The BOR submitted four equity comparables in support of its final assessment. The BOR did not submit any sales comparables.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. *National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board*, 331 Ill. App. 3d 1038 (3d Dist. 2002); 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds Appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the four Appellant comparables are similar to the subject in location, size, style, exterior construction, features, age and land area. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$250,000 to \$289,999 or from \$263.16 to \$290.87 per square foot of living area, including land. The subject's assessment reflects a market value of \$324.71 per square foot of living area, including land, is above the range established by the best comparable sales in this record.

Based on this record the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction in the subject's assessment is justified. The Board finds an adjusted assessment of \$28,710 to be fair and equitable.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
