

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Oscar Munoz
DOCKET NO.: 21-51900.001-R-1 through 21-51900.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Oscar Munoz, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-51900.001-R-1	20-06-408-047-0000	2,400	8,603	\$11,003
21-51900.002-R-1	20-06-408-048-0000	2,400	134	\$2,534

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story multi-family building of masonry exterior construction with 4,551 square feet of building area. The building is 115 years old. Features of the building include a full finished basement apartment and 1.5-car garage. The property has a 3,000 square foot site and is located in Chicago, Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. The appellant did not challenge the assessment of Parcel number 20-06-408-048-0000, which the board of review reports is a class 2-01 property improved with a garage.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable properties located within the same neighborhood code as the subject. The comparables are improved with class 2-11 buildings of wood or wood and masonry exterior

construction ranging in size from 3,525 to 5,086 square feet of building area. The buildings range in age from 120 to 134 years old. Three comparables have full or partial basements, one of which is finished as an apartment, two comparables have crawl-space foundations, and three comparables have slab foundations. Two comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$2,540 to \$4,020 or from \$.63 to \$.97 per square foot of building area. Based on this evidence the appellant requested that the subject's improvement assessment be reduced to \$3,522 or \$.77 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,003. The subject property has an improvement assessment of \$8,603 or \$1.89 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties that are located within the same neighborhood code as the subject. The comparables are improved with class 2-11 buildings of frame, masonry or frame and masonry exterior construction ranging in size from 3,094 to 4,380 square feet of building area. The buildings range in age from 118 to 130 years and have full or partial basements, two of which have finished area. One comparable has central air conditioning, one comparable has five fireplaces, and two comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$10,600 to \$13,520 or from \$3.09 to \$3.43 per square foot of building area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be appellant's comparable #8, as well as the board of review's comparables #3 and #4. These comparables have varying degrees of similarity to the subject. However, two of the best comparables lack finished basement area when compared to the subject and two comparables lack a garage when compared to the subject. Nevertheless, the best comparables had improvement assessments of \$3,000 and \$13,520 or from \$.63 to \$3.20 per square foot of building area. The subject's improvement assessment of \$8,603 or \$1.89 per square foot of building area is supported by the improvement assessments of the best comparables in this record. The Board gave less weight to the parties' remaining comparables, due to their lack of a basement foundation and/or their differences in building size when compared to the subject. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
