

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Luis Salinas  
DOCKET NO.: 21-52184.001-R-1  
PARCEL NO.: 13-24-301-006-0000

The parties of record before the Property Tax Appeal Board are Luis Salinas, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$26,875  
**IMPR.:** \$25,449  
**TOTAL:** \$52,324

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 5,375 square-foot parcel of land improved with a 61-year-old, 2-story, masonry, multi-family dwelling, containing 2,144 square feet of living area. The property is located in Chicago, Jefferson Township, Cook County and is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, appellant submitted sales information on four comparable properties that sold between May of 2021 and December of 2021 for prices ranging from \$158.84 to \$222.78 per square foot of living area, including land. Each of the comparable sales properties were improved with a multi-family dwelling of masonry construction and contained between 2,076 and 3,746 square feet of living area. Appellant also submitted a copy of the board of review's decision letter

reflecting its total assessed valuation for the subject property of \$52,324. Based on this evidence, appellant requested a reduction in the subject property's assessment to \$41,296.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation for the subject property of \$52,324, with an improvement assessment of \$25,449. The subject's assessment reflects a market value of \$523,240, or \$244.05 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four comparable properties. Each of the comparable properties were improved with a 2-story, multi-family dwelling of either frame or masonry construction. They ranged in size between 2,046 and 2,274 square feet of living area. Three of the board of review's sales comparables sold between March of 2019 and August of 2021 for prices ranging from \$254.15 to \$338.21 per square foot of living area, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant *did not* meet this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value to be *the appellant's sales comparables #2 and #4 and the board of review's comparable #3*. These properties sold between August of 2020 and September of 2021 for prices ranging from \$215.90 to \$338.21 per square foot of living area, including land. The subject's current assessment of \$244.05 per square foot of living area reflects a market value within the market value established by the best comparables in this record. After considering necessary adjustments to the comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment *is* supported and a reduction in the subject's assessment *is not* justified. Based on this record, the Board finds appellant *has not* proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment *is not* warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
