

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryszard Dzieglewicz
DOCKET NO.: 21-52341.001-R-1 through 21-52341.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ryszard Dzieglewicz, the appellant(s), by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-52341.001-R-1	13-09-401-008-0000	8,820	2,805	\$11,625
21-52341.002-R-1	13-09-401-009-0000	8,820	2,805	\$11,625

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels improved with a 62-year-old, 1.5-story, single-family dwelling of frame construction with 1,152 square feet of living area. The property has a 3,150 square foot site and is located in Chicago, Jefferson Township, Cook County. The property is a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its argument, appellant submitted an appraisal report prepared by Mr. Gary Nusinow, estimating the subject property had a market value of \$232,500 as of January 1, 2021. The appraiser utilized the sales comparison approach based on five comparable properties that sold between November of 2019 and March of 2021, and determined the market value for the subject property after adjustments. In its brief, appellant reiterates and provides its explanation of the appraiser's report and analysis.

Appellant also submitted a copy of the board of review's decision letter reflecting a total assessment for the subject property of \$27,500. Based on this evidence, appellant requests the subject property's total assessment be reduced to \$23,250.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment for one parcel. The subject has a total assessment of \$27,500. The subject's assessment reflects a market value of \$275,000 or \$238.72 per square foot of living area, including land, when applying the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted four sales comparable properties. The comparable properties were each improved with either a one-story or a one-and-one-half-story dwelling of either masonry or frame construction with living square foot area ranging from 1,075 to 1,620. Three of the board of review's comparables sold between October of 2020 and November of 2021 for prices ranging from \$311.73 to \$481.48 per square foot of living area, including land.

In rebuttal, appellant states that the board of review did not submit MLS sheets or a professional appraisal report to refute the appraised value of Mr. Gary Nusinow. In addition, the appellant states that the comparables submitted by the board of review are flawed based on differences in size, updates, and renovations when compared to the subject property.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by appellant*. The appraiser utilized the sales comparison approach based on five comparable properties and determined the market value for the subject property after adjustments. The subject's assessment of \$27,500 reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$232,500 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
