

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carol Duerkes
DOCKET NO.: 21-53111.001-R-1
PARCEL NO.: 18-03-310-005-0000

The parties of record before the Property Tax Appeal Board are Carol Duerkes, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,929
IMPR.: \$14,567
TOTAL: \$17,496

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,045 square feet of living area. The dwelling is approximately 98 years old. Features of the home include a full basement and a 2-car garage. The property has a 4,687 square foot site and is located in Brookfield, Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.45 of a mile of the subject. The comparables consist of class 2-03, 1-story or 1.5-story dwellings of frame exterior construction ranging in size from 1,035 to 1,228 square feet of living area. The dwellings are 79 to 117 years old. Each comparable has a full basement, 1 or 2 fireplaces and a 2-car garage. The

comparables have improvement assessments ranging from \$11,695 to \$14,773 or from \$10.02 to \$12.50 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision disclosing the total assessment for the subject property of \$17,496. The subject property has an improvement assessment of \$14,567 or \$13.94 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and within the subject's block or approximately $\frac{1}{4}$ of a mile of the subject. The comparables consist of class 2-03, 1-story or 1.5-story dwellings of frame or masonry exterior construction ranging in size from 1,010 or 1,171 square feet of living area. The comparables are 61 or 104 years old. Each comparable has a full basement and either a 1.5-car or a 2-car garage. Two comparables each have central air conditioning, and one comparable has a fireplace. The comparables have improvement assessments ranging from \$16,644 to \$18,276 or from \$14.36 to \$18.10 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, #4 and #5 as well as the board of review comparables #3 and #4 due to significant differences in their design, age and/or dwelling size when compared to the subject dwelling.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables. These comparables are overall most similar to the subject in location, design, age and dwelling size with varying degrees of similarity in other features. These three comparables have improvement assessments ranging from \$11,695 to \$18,276 or from \$10.02 to \$18.10 per square foot of living area. The subject's improvement assessment of \$14,567 or \$13.94 per square foot of living area falls within the range of the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
