

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Welsh
DOCKET NO.: 21-53133.001-R-1
PARCEL NO.: 18-35-412-027-0000

The parties of record before the Property Tax Appeal Board are Robert Welsh, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,788
IMPR.: \$9,266
TOTAL: \$14,054

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,205 square feet of living area. The dwelling is approximately 65 years old. Features of the home include a full basement, central air conditioning, a fireplace and a 1-car garage. The property has a 10,640 square foot site and is located in Hickory Hills, Lyons Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood in Hickory Hills, Illinois and from 0.15 to 0.33 of a mile from the subject. The comparables consist of class 2-03, 1-story or 1.5-story dwellings of masonry exterior construction ranging in size from 1,008 to 1,310 square feet of

living area. The dwellings are 59 to 69 years old. Two comparables have either a crawl space or a slab foundation, and three comparables each have a partial or a full basement. Each comparable has 1 or 2 fireplaces and a 1-car, a 1.5-car or a 2-car garage. The comparables have improvement assessments ranging from \$8,840 to \$9,963 or from \$7.02 to \$8.77 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$9,266 or \$7.69 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$18,537. The subject property has an improvement assessment of \$13,749 or \$11.41 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood in Hickory Hills or Justice, Illinois and within approximately $\frac{1}{4}$ of a mile of the subject. The comparables consist of class 2-03, 1-story dwellings of masonry exterior construction ranging in size from 1,075 to 1,366 square feet of living area. The comparables are 44 to 59 years old. Two comparables each have a crawl space foundation, and two comparables each have partial basement with finished area and either a 2-car or a 2.5-car garage. Two comparables each have central air conditioning, and one comparable has a fireplace. The comparables have improvement assessments ranging from \$13,610 to \$17,318 or from \$12.08 to \$14.05 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 as well as the board of review's comparables due to significant differences in their age, dwelling size and/or foundation type when compared to the subject. Moreover, the board of review comparable #3 is located in a different city than the subject property.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #5 which are located within the same city and assessment neighborhood as the subject and are relatively similar to the subject in design, dwelling size, age, foundation type and/or other features. These two comparables have improvement assessments of \$8,840 and \$9,963 or \$7.61 and \$8.77 per square foot of living area. The subject's improvement assessment of \$13,749 or \$11.41 per square foot of living area falls above the two best comparables in the record. After considering adjustments to the two best comparables for differences from the subject, the Board

finds the appellant demonstrated the subject's improvement was inequitably assessed and a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
