

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Marjorie Poulos
DOCKET NO.: 21-53155.001-R-1
PARCEL NO.: 14-33-400-044-0000

The parties of record before the Property Tax Appeal Board are Marjorie Poulos, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,500
IMPR.: \$110,730
TOTAL: \$145,230

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.¹

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 3,691 square feet of living area. The dwelling is approximately 143 years old. Features of the home include a full basement and a fireplace. The property has a 2,760 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located within the subject's assessment neighborhood and within .49 of a mile of the subject. The comparables consist of 2-story or 3-story class 2-06 dwellings of masonry

¹ The appellant waived the hearing request and requested to have the appeal decided on the written record without objection from the board of review.

exterior construction ranging in size from 3,068 to 4,254 square feet of living area. The homes range in age from 127 to 141 years old. Each dwelling has one or two fireplaces. Four comparables have central air conditioning, four comparables each have a full or partial basement, one comparable has a concrete slab foundation, and three comparables each have a 1-car or 2-car garage. The comparables have improvement assessments ranging from \$82,369 to \$117,953 or from \$22.23 to \$31.10 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$98,402 or \$26.66 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,499. The subject property has an improvement assessment of \$139,999 or \$37.93 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the subject's assessment neighborhood, one of which is located .25 of a mile from the subject. The comparables consist of 2-story or 3-story class 2-06 dwellings of frame or masonry exterior construction ranging in size from 2,760 to 4,200 square feet of living area. The homes range from 141 to 143 years old. Each dwelling has a 2-car or 2.5-car garage. Two comparables have central air conditioning, two comparables each have a partial basement with finished area, and two comparables each have either a concrete slab or crawl-space foundation. The comparables have improvement assessments ranging from \$116,937 to \$221,760 or from \$40.15 to \$52.80 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of nine equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the appellant's comparable #2, as well as board of review comparables #1 and #3, which differ from the subject in dwelling size or foundation. The Board also gives less weight to board of review comparable #4, which appears to be an outlier based on its much higher assessment.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3, #4, and #5 along with the board of review comparable #2, which have varying degrees of similarity to the subject. These comparables have improvement assessments that range from \$86,311 to \$146,937 or from \$22.23 to \$40.15 per square foot of living area. The subject's improvement assessment of \$139,999 or \$37.93 per square foot of living area falls within the range established by the best comparables in this record. However, based on this record and after considering adjustments to the best comparables for differences from the subject, the Board

finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
