

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Coia
DOCKET NO.: 21-53905.001-R-1
PARCEL NO.: 15-28-400-031-0000

The parties of record before the Property Tax Appeal Board are Anthony Coia, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,406
IMPR.: \$23,600
TOTAL: \$33,006

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,612 square feet of living area. The dwelling is approximately 64 years old. Features of the home include an unfinished basement, 1½ bathrooms, central air conditioning and a 2-car garage. The property has an approximately 12,975 square foot site and is located in La Grange Park, Proviso Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.33 of a mile from the subject. The comparables are improved with 1-story class 2-03 dwellings of masonry exterior construction ranging in size from 1,342 to 1,769 square feet of

living area. The homes range in age from 64 to 69 years old. Three comparables have an unfinished basement and two comparables have either a crawl space or a concrete slab foundation. Each dwelling has 1 or 2 bathrooms, one or two fireplaces and from a 1-car to a 2-car garage. The comparables have improvement assessments ranging from \$17,352 to \$23,257 or from \$12.93 to \$13.53 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$21,295 or \$13.21 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,424. The subject property has an improvement assessment of \$25,018 or \$15.52 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1-story class 2-03 dwellings of masonry exterior construction ranging in size from 1,314 to 1,654 square feet of living area. The homes range in age from 63 to 73 years old. Each comparable has a basement, with two having finished area. Each dwelling has 1½ or 2½ bathrooms, central air conditioning and a 1-car or a 2-car garage. Three homes have one or two fireplaces. The comparables have improvement assessments ranging from \$21,681 to \$25,819 or from \$15.52 to \$16.98 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1, #2 and #4 along with board of review comparables #1, #2 and #3 which are less similar to the subject in foundation type, finished basement amenity and/or dwelling size when compared to other properties in the record.

The Board finds the best evidence of assessment equity to be appellant comparables #3 and #5 and board of review comparable #4 which are more similar to the subject in location, age, design, dwelling size and most features. However, these comparables have either ½ or 1 additional bathroom and/or lack central air conditioning when compared to the subject, suggesting adjustments are needed to make these comparables more equivalent to the subject. These comparables have improvement assessments ranging from \$20,826 to \$25,819 or from \$13.15 to \$15.61 per square foot of living area. The subject's improvement assessment of \$25,018 or \$15.52 per square foot of living area falls within the range established by the best comparables in this record on an overall improvement assessment and per square foot basis. However, after considering adjustments to the best comparables for differences from the subject,

the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
