

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Sean Brogan  
DOCKET NO.: 21-53908.001-R-1  
PARCEL NO.: 15-28-427-030-0000

The parties of record before the Property Tax Appeal Board are Sean Brogan, the appellant(s), by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,026  
**IMPR.:** \$46,052  
**TOTAL:** \$52,078

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a 2-story multi-family building of masonry exterior construction with 4,622 square feet of building area. The building is approximately 60 years old. Features of the building include a basement finished with an apartment and a 3-car garage. The property has an approximately 8,312 square foot site and is located in La Grange Park, Proviso Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story or 3-story class 2-11 buildings of masonry exterior construction ranging in size from 4,333 to 5,504 square feet of building area that are either 58 or

64 years old. Four comparables have a basement and one comparable has a concrete slab foundation. Four buildings have central air conditioning and each comparable has two fireplaces. One property has a 4-car garage. The comparables have improvement assessments ranging from \$37,914 to \$46,437 or from \$7.92 to \$8.96 per square foot of building area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$39,472 or \$8.54 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,078. The subject property has an improvement assessment of \$46,052 or \$9.96 per square foot of building area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 2-story class 2-11 buildings of masonry exterior construction ranging in size from 3,997 to 4,716 square feet of building area. The buildings range in age from 43 to 61 years old. Each comparable has a basement and two properties have a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$41,609 to \$48,051 or from \$10.19 to \$10.41 per square foot of building area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparables #1 and #2 along with board of review comparable #1 which differ from the subject in age, design, foundation type and/or dwelling size.

The Board finds the best evidence of assessment equity to be appellant comparables #3, #4 and #5 as well as board of review comparables #2 and #3 which are more similar to the subject in location, age, design and most features. However, these best comparables present varying degrees of similarity to the subject in dwelling size and garage capacity, suggesting adjustments are needed to make these properties more equivalent to the subject. These comparables have improvement assessments ranging from \$37,914 to \$46,437 or from \$8.63 to \$10.41 per square foot of building area. The subject's improvement assessment of \$46,052 or \$9.96 per square foot of building area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
