FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: April Haydock
DOCKET NO.: 21-55819.001-R-1
PARCEL NO.: 13-06-306-012-0000

The parties of record before the Property Tax Appeal Board are April Haydock, the appellant(s), by attorney Marie Mactal, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$20,600
IMPR.:	$30,947
TOTAL:	$51,547

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 1,706 square feet of living area. Features of the home include a full basement, two and a half-car garage. The property has a 10,300 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal, as well as comparable sales and contention of law. In support of this argument the appellant submitted information on five equity comparables. The board will not consider the contention of law argument as it is not supported by a brief. The appellant comparables range from $15,172 to $34,264 or $11.46 to $16.13 in improvement assessment per square foot of living area. Four of the five are on the same street, the other is listed as .2 miles from the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $51,547. The subject property has an improvement assessment of $30,947 or $18.14 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review comparables are all within a quarter mile of the subject property. They range from $37,100 to $41,754 in improvement assessment or $21.20 to $23.69 per square foot of living area. The board is asking for no change in assessment. No sales prices or records were included in either side's filing's.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds that each of the comparables are relevant and helpful in considering the matter of assessment. The subject's improvement assessment of $18.14 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
