

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Forsythe Building Fund
DOCKET NO.: 21-57656.001-R-2
PARCEL NO.: 01-09-204-023-0000

The parties of record before the Property Tax Appeal Board are Forsythe Building Fund, the appellant(s), by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$62,730
IMPR.: \$287,270
TOTAL: \$350,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame and masonry construction with 14,028 square feet of living area. Features of the dwelling include eight baths, a full finished basement, and a six-car garage. The dwelling was constructed in 2007. The property has a 627,308 square foot site and is located in Barrington Township, Cook County.

The appellant contends market value as the basis of the appeal. In support of this market value argument the appellant submitted an appraisal estimating the subject property had a market value of \$3,500,000 as of January 1, 2019. The appellant also submitted five equity comparables. The appellant requested the subject's total assessment be reduced to \$350,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$450,001. The subject has a total improvement assessment of

\$387,270 or \$27.61 per square foot of living area. The subject's assessment reflects a market value of \$4,500,010 or \$320.79 per square foot of living area, land included, when using the level of assessment for class 2-09 properties of 10.00% as determined by the Cook County Classification Ordinance shall apply.

In support of the assessment, the board of review did not submit any evidence. The board of review stipulated to an assessment value of \$350,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The appellant's appraiser utilized the sale comparison approach to value in determining the subject's market value. The Board finds this appraisal persuasive because the appraiser has experience in appraising, personally inspected the subject property, used and analyzed similar properties in the sales comparison approach while providing adjustments that were necessary. In addition, the board of review stipulated to an assessed value of \$350,000 per the appraisal.

The subject's assessment reflects a market value of \$4,500,001 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$3,500,000 as of the assessment date at issue. Since market value has been established, the level of assessment for class 2-09 properties of 10.00% as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
