Statement of Jurisdiction

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels and two dwellings. Dwelling #1 is a 2-story home of stucco exterior construction with 5,174 square feet of living area. The dwelling is 111 years old and has a concrete slab foundation and two fireplaces. Dwelling #2 is a 1.5-story home of frame exterior construction with 1,912 square feet of living area. The dwelling is approximately 107 years old and features a concrete slab foundation and a 2.5-car garage. The property has a combined 42,397 square foot site and is located in LaGrange, Lyons Township, Cook County. Dwelling #1 is classified as a class 2-09 property and Dwelling #2 is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2020 tax year should be carried forward to the 2021 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant

disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-31305-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$152,416 based on the evidence submitted by the parties. The appellant asserted that tax years 2020 and 2021 are within the same general assessment period.

The board of review submitted its "Board of Review Notes on Appeal" reporting the assessment for one of the parcels under appeal. The appellant disclosed a total assessment for the subject of \$165,885. In support of its contention of the correct assessment the board of review submitted information on three comparables. The board of review disclosed that no equalization factor was applied in Lyons Township in 2021.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2020 tax year should be carried forward to the 2021 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2020 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2020 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2020 and 2021 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The record also disclosed that no township equalization factor was applied in 2021. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
