

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Gregoric
DOCKET NO.: 21-58861.001-R-1
PARCEL NO.: 30-31-418-011-0000

The parties of record before the Property Tax Appeal Board are Robert Gregoric, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,400
IMPR.: \$3,685
TOTAL: \$6,085

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to Section 16-160 of the Property Tax Code (*35 ILCS 200/16-160*) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 74-year-old, one-story, building of frame construction. It contains 1,012 square feet of gross building area. Features of the subject include a full unfinished basement and a two-car garage. The property is situated on 6,400 square feet of land in Thornton Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,725. The subject's assessment reflects a market value of \$87,250, or \$86.22 per square foot of living area including land, when applying the 2021 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The board of review indicated on its Notes on Appeal that it would stipulate to the appellant's appeal.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. *86 Ill.Admin.Code §1910.63(e)*. Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. *86 Ill.Admin.Code §1910.65(c)*. The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sale(s) #1 and #4. These comparable properties sold for prices ranging from \$53.53 to \$54.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$86.22 per square foot of living area including land, which is above the range established by the best comparable sales in this record. The appellant requested an assessment of \$6,085, and the board of review stipulated to this request. Based on this evidence, the Board finds a reduction in the subject's assessment to \$6,085 is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
