

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alison Goodridge
DOCKET NO.: 22-00145.001-R-1
PARCEL NO.: 14-09-101-010

The parties of record before the Property Tax Appeal Board are Alison Goodridge, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$32,083
IMPR.: \$169,907
TOTAL: \$201,990

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,443 square feet of living area. The dwelling was built in 1998. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 756 square foot garage. The property has an approximately 43,324 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located from 0.29 of mile from the subject, each of which has the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of brick or brick and frame exterior construction ranging in size from 3,264 to 3,886 square feet of living area. The homes were built from 1989 to 1997. Each comparable has an

unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 638 to 958 square feet of building area. Comparable #5 has an inground swimming pool. The comparables have improvement assessments that range from \$145,408 to \$170,177 or from \$41.70 to \$47.64 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$152,593 or \$44.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$201,990. The subject property has an improvement assessment of \$169,907 or \$49.35 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located from 0.28 of mile from the subject, each of which has the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of frame or brick exterior construction ranging in size from 3,052 to 3,372 square feet of living area. The homes were built from 1991 to 1998 with the oldest home having a reported effective age of 1993. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 706 to 946 square feet of building area. The comparables have improvement assessments that range from \$151,851 to \$165,865 or from \$49.19 to \$49.91 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #5 which features an inground swimming pool, which the subject lacks. The Board also gives less weight to the board of review comparables #1, #2, and #3 which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are more similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments that range from \$145,408 to \$170,177 or from \$44.55 to \$49.24 per square foot of living area. The subject's improvement assessment of \$169,907 or \$49.35 per square foot of living area falls within the range established by the best comparables in the record on an overall improvement assessment basis but slightly above on a per square foot basis. However, based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did

not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
