

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Heather Aldridge  
DOCKET NO.: 22-00164.001-R-1  
PARCEL NO.: 12-18-307-010

The parties of record before the Property Tax Appeal Board are Heather Aldridge, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$28,507  
**IMPR.:** \$75,443  
**TOTAL:** \$103,950

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of brick exterior construction with 1,438 square feet of living area. The dwelling was constructed in 1960. Features of the home include a basement with 720 square feet of finished area, central air conditioning, a fireplace and a 575 square foot garage. The property has an approximately 16,230 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables that have the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 1,440 to 1,650 square feet of living area. The dwellings were built from 1960 to 1962 with comparable #3 having an effective year built of 1967. The

comparables each have a basement, two of which have 530 or 540 square feet of finished basement area. Each comparable has central air conditioning and either an attached or a detached garage containing 420 or 528 square feet of building area. The comparables have improvement assessments that range from \$56,647 to \$77,561 or from \$39.34 to \$47.01 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$64,782 or \$45.05 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$103,950. The subject property has an improvement assessment of \$75,443 or \$52.46 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables that have the same assessment neighborhood code as the subject. The comparables are improved with one-story dwellings of wood siding or brick exterior construction ranging in size from 1,392 to 1,649 square feet of living area. The dwellings were built from 1961 to 1966. The comparables each have a basement, two of which have 800 or 900 square feet of finished area. Two comparables have central air conditioning, two comparables each have one or two fireplaces, and each comparable has an attached garage ranging in size from 462 to 609 square feet of building area. Comparable #1 has an additional 704 square foot detached garage. The comparables have improvement assessments that range from \$81,242 to \$97,689 or from \$50.73 to \$61.06 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #2, as well as board of review comparable #2 due to their lack of finished basement area and/or central air conditioning, both features of the subject. The Board has also given less weight to board of review comparable #1 as it has an additional detached garage, unlike the subject. The Board finds the parties' three remaining comparables are overall more similar to the subject in location, dwelling size, design, age and features. These three comparables have improvement assessments ranging from \$56,647 to \$81,242 or from \$39.34 to \$58.36 per square foot of living area. The subject's improvement assessment of \$75,443 or \$52.46 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
