

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Barlow  
DOCKET NO.: 22-00170.001-R-1  
PARCEL NO.: 07-30-320-040

The parties of record before the Property Tax Appeal Board are Michael Barlow, the appellant, by attorney Gregory Riggs of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,292  
**IMPR.:** \$63,491  
**TOTAL:** \$75,783

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,030 square feet of above ground living area. The dwelling was constructed in 1992. Features of the home include a finished lower level, central air conditioning and a 440 square foot garage. The property has an approximately 9,150 square foot site and is located in Grayslake, Warren Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables that have the same assessment neighborhood code as the subject. The comparables are improved with tri-level dwellings of wood siding exterior construction ranging in size from 1,052 to 1,158 square feet of above ground living area. The dwellings were built from 1987 to 1990. The comparables each have a finished lower level, one of which has an additional partial

basement. Two comparables each have central air conditioning and four comparables each have a garage ranging in size from 440 to 480 square feet of building area. The comparables have improvement assessments that range from \$61,388 to \$67,748 or from \$56.04 to \$59.87 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$60,770 or \$59.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$75,783. The subject property has an improvement assessment of \$63,491 or \$61.64 per square foot of above ground living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are improved with tri-level dwellings of wood siding exterior construction ranging in size from 1,096 to 1,180 square feet of above ground living area. The dwellings were built from 1983 to 1999. The comparables each have a finished lower level, two of which also have a partial basement. Each comparable has central air conditioning and a garage ranging in size from 480 to 624 square feet of building area. The comparables have improvement assessments that range from \$65,663 to \$73,862 or from \$59.91 to \$62.97 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #2 and #5 due to their lack of central air conditioning, a feature of the subject. The Board has also given less weight to the appellant's #4, as well as board of review comparables #2 and #4 which differ from the subject in that they have an additional basement feature and/or they have no garage.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables, which are similar to the subject in location, dwelling size, design, age and some features. These three comparables have improvement assessments ranging from \$63,460 to \$70,530 or from \$59.87 to \$62.97 per square foot of above ground living area. The subject's improvement assessment of \$63,491 or \$61.64 per square foot of above ground living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
