

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jess Guenther  
DOCKET NO.: 22-00211.001-R-1  
PARCEL NO.: 06-35-116-018

The parties of record before the Property Tax Appeal Board are Jess Guenther, the appellant, by attorney Gregory Riggs, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,246  
**IMPR.:** \$91,371  
**TOTAL:** \$106,617

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,629 square feet of living area. The dwelling was built in 1990. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 609 square foot attached garage. The property has an approximately 12,270 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within 0.12 of mile from the subject, each of which has the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 2,634 to 2,780 square feet of living area. The homes were built in either 1990 or 1991. The comparables each have a basement, with two of these having finished area. Each comparable has central air conditioning,

one fireplace, and an attached garage ranging in size from 440 to 704 square feet of building area. The comparables have improvement assessments that range from \$88,274 to \$93,587 or from \$32.84 to \$33.79 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$87,398 or \$33.24 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$106,617. The subject property has an improvement assessment of \$91,371 or \$34.76 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located within 0.29 of mile from the subject, each of which has the same assessment neighborhood code as the subject property. The comparables are improved with 2-story dwellings of wood siding or vinyl siding exterior construction ranging in size from 2,545 to 2,842 square feet of living area. The homes were built from 1991 to 1996. The comparables each have a basement, with two of these having finished area. Each comparable has central air conditioning, one or two fireplaces, and an attached garage ranging in size from 420 to 694 square feet of building area. The comparables have improvement assessments that range from \$92,908 to \$101,138 or from \$34.70 to \$39.74 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 as well as board of review comparables #4 and #5 which have basement finish, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These five comparables have improvement assessments ranging from \$91,307 to \$101,138 or from \$32.84 to \$39.74 per square of living area. The subject's improvement assessment of \$91,371 or \$34.76 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
