

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Warren Kruckmeyer
DOCKET NO.: 22-00516.001-R-1
PARCEL NO.: 10-27-303-002

The parties of record before the Property Tax Appeal Board are Warren Kruckmeyer, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,506
IMPR.: \$126,816
TOTAL: \$163,322

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,920 square feet of living area. The dwelling was constructed in 1993 and is approximately 29 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and a garage with 748 square feet of building area. The property has a site with approximately 47,820 square feet of land area and is located in Mundelein, Fremont Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located in the same assessment neighborhood as the subject and within .6 of a mile from the subject property. The appellant reported that the comparables are improved with 2-story dwellings of brick, wood siding or vinyl siding exterior construction that range in size from 2,962 to 3,642 square feet of living area. The dwellings range in age from 25 to 29 years old. Each comparable has an unfinished basement, central air conditioning, either one or two fireplaces and a garage ranging in size from 696 to 747 square feet of building area. The comparables have

improvement assessments that range from \$123,872 to \$154,308 or from \$41.35 to \$42.37 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$122,640 or \$42.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$165,754. The subject property has an improvement assessment of \$129,248 or \$44.26 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables located in the same assessment neighborhood as the subject and within .34 of a mile from the subject property. The comparables are improved with either 1-story or 2-story dwellings of brick, wood siding or vinyl siding exterior construction that range in size from 2,624 to 3,157 square feet of living area. The dwellings were built in 1995 and 1996. Each comparable has a basement, two with finished area, central air conditioning, either one or two fireplaces and a garage ranging in size from 441 to 805 square feet of building area. Comparable #2 has a gazebo. The comparables have improvement assessments ranging from \$123,608 to \$150,117 or from \$43.08 to \$50.22 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to appellant's comparable #4 as well as board of review comparables #1 and #2 due to their larger dwelling size and/or their finished basements, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2 and #3 along with the board of review's comparables #3, #4 and #5 which are most similar to the subject in location, design, dwelling size, age and some features. These comparables have improvement assessments ranging from \$123,872 to \$130,932 or from \$41.35 to \$43.82 per square foot of living area. The subject's improvement assessment of \$129,248 or \$44.26 per square foot of living area, falls within the range of the best comparables in the record on an overall total improvement but is greater than the range on a per square foot basis. Based on this record, and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
