

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Eapen Varughese
DOCKET NO.: 22-00521.001-R-1
PARCEL NO.: 07-19-212-020

The parties of record before the Property Tax Appeal Board are Eapen Varughese, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,147
IMPR.: \$121,000
TOTAL: \$147,147

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,893 square feet of living area. The dwelling was constructed in 1999 and is approximately 23 years old. Features of the home include a basement with 989 square feet of finished area, central air conditioning, a fireplace, 3.5 bathrooms, and a 480 square foot garage. The property has an approximately 12,196 square foot site and is located in Gurnee, Warren Township, Lake County.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables locate within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of wood siding exterior construction ranging in size from 3,836 to 3,938 square feet of living area. The dwellings range in age from 22 to 24 years old. Each home has a basement, three of which have from 1,000 to 1,810 square feet of

finished area, central air conditioning, a fireplace, 2.5 to 4.5 bathrooms, and a garage ranging in size from 420 to 812 square feet of building area. The comparables have improvement assessments ranging from \$97,659 to \$109,738 or from \$25.46 to \$28.11 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment to \$105,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$147,147. The subject property has an improvement assessment of \$121,000 or \$31.08 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of wood siding exterior construction ranging in size from 3,824 to 3,952 square feet of living area. The dwellings were built from 1998 to 2000. Each home has a basement, one of which has 273 square feet of finished area, central air conditioning, a fireplace, 2.5 bathrooms, and a garage ranging in size from 420 to 500 square feet of building area. The comparables have improvement assessments ranging from \$123,582 to \$124,937 or from \$31.61 to \$32.48 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #4 and the board of review's comparables, due to substantial differences from the subject in basement finish.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, and #3 and the board of review's comparable #3, which are similar to the subject in dwelling size, age, location, and features, although two comparables have either substantially smaller or larger finished basement area than the subject, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments that range from \$97,659 to \$124,314 or from \$25.46 to \$32.36 per square foot of living area. The subject's improvement assessment of \$121,000 or \$31.08 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
