

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thang Tran
DOCKET NO.: 22-00564.001-R-1
PARCEL NO.: 14-03-103-020

The parties of record before the Property Tax Appeal Board are Thang Tran, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$45,127
IMPR.: \$123,980
TOTAL: \$169,107

Subject only to the State multiplier as applicable .

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of wood siding and brick exterior construction with 2,918 square feet of living area. The dwelling was built in 2000. Features of the home include an unfinished walkout basement, central air conditioning, one fireplace, and a garage with 782 square feet of building area. The property has an approximately 26,572 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The properties are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 3,280 to 3,751 square feet of living area. The homes range in age from 20 to 22 years old. The comparables each have an unfinished basement, two of which were described as walkouts.

Each comparable has central air conditioning, one fireplace, and a garage ranging in size from 651 to 690 square feet of building area. These comparables have improvement assessments ranging from \$121,960 to \$140,380 or from \$34.68 to \$38.20 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$108,184 or \$37.07 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$169,107. The subject property has an improvement assessment of \$123,980 or \$42.49 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that are located in the subject's assessment neighborhood code. The properties are improved with 2-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 2,916 to 3,300 square feet of living area. The dwellings were built from 2000 to 2003 and thus would range in age from approximately 19 to 22 years old. The comparables each have an unfinished basement, two of which were described as walkouts. Each comparable has central air conditioning, one fireplace, and a garage ranging in size from 660 to 873 square feet of building area. These comparables have improvement assessments ranging from \$121,648 to \$149,686 or from \$41.72 to \$50.10 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine equity comparables submitted by the parties to support their respective positions. The Board gives less weight to the appellant's comparables as well as board of review comparables #2 and #3 which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #4, and #5 which are overall most similar to the subject in location, design, age, dwelling size, and other features. The three comparables have improvement assessments ranging from \$121,648 to \$149,686 or from \$41.72 to \$50.10 per square foot of living area. The subject's improvement assessment of \$123,980 or \$42.49 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
