

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Austin Rim  
DOCKET NO.: 22-00571.001-R-1  
PARCEL NO.: 14-22-201-095

The parties of record before the Property Tax Appeal Board are Austin Rim, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$52,028  
**IMPR.:** \$145,035  
**TOTAL:** \$197,063

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,962 square feet of living area. The dwelling was constructed in 1995 and is approximately 27 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a garage with 805 square feet of building area. The property has approximately 20,441 square foot site and is located in Kildeer, Ela Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales that are located in the subject's assessment neighborhood code. The comparables have parcels that range in size from 14,283 to 21,383 square feet of land area. The comparables are improved with 2-story homes of wood siding exterior construction ranging in size from 3,077 to 3,449 square feet of living area. The dwellings are either 26 or 27 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 660 to 788 square feet of building

area. The comparables sold from April 2020 to March 2021 for prices ranging from \$550,000 to \$600,000 or from \$160.92 to \$182.76 per square foot of living area, land included. Based on this evidence the appellant requested a reduction in the subject's assessment to \$172,067 which reflects a market value of \$516,253 or \$174.29 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$197,063. The subject's assessment reflects a market value of \$592,492 or \$200.03 per square foot of living area, land included, when using the 2022 three-year average median level of assessment for Lake County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on seven comparable sales that are located in the subject's assessment neighborhood code. The comparables have parcels that range in size from 12,729 to 14,854 square feet of land area. The comparables are improved with 2-story homes of frame exterior construction ranging in size from 2,632 to 3,047 square feet of living area. The dwellings were built from 1993 to 1995. Each comparable has an unfinished basement, central air conditioning, one fireplace, and a garage ranging in size from 460 to 720 square feet of building area. The comparables sold from February 2021 to June 2022 for prices ranging from \$577,000 to \$705,000 or from \$203.48 to \$246.39 per square foot of living area, land included. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #1 which is less similar to the subject in dwelling size than other comparables in this record. The Board also gives less weight to the appellant's comparables #3 and #4 which have sale dates in 2020 occurring less proximate in time to the subject's January 1, 2022 assessment date at issue than other comparable sales in this record.

The Board finds the best evidence of market value to be the parties' remaining comparables which sold proximate in time to the subject's assessment date and are overall more similar to the subject in location, design, age, dwelling size, and features. These properties sold from February 2021 to June 2022 for prices ranging from \$568,000 to \$705,000 or from \$174.77 to \$246.39 per square foot of living area, land included. The subject's assessment reflects a market value of \$591,248 or \$199.61 per square foot of living area, land included, which falls within the range established by the best comparable sales in this record. Based on this evidence and after considering the appropriate adjustments to the best comparables for differences from the subject,

the Board finds the appellant failed to prove by a preponderance of the evidence that a reduction in the subject's assessment is justified based on overvaluation.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
