

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Helena Wolf
DOCKET NO.: 22-00592.001-R-1
PARCEL NO.: 14-05-108-004

The parties of record before the Property Tax Appeal Board are Helena Wolf, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,168
IMPR.: \$151,800
TOTAL: \$182,968

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,576 square feet of living area. The dwelling was constructed in 1990 and is approximately 32 years old. Features of the home include a basement, central air conditioning, a fireplace and a 682 square foot garage. The property has an approximately 39,982 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located from .56 of a mile to one mile from the subject property. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 3,223 to 4,157 square feet of living area. The dwellings are 32 or 35 years old. The comparables each

have a basement, one of which is a walk-out design. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 745 to 900 square feet of building area. Two comparables each have an inground swimming pool. The comparables have improvement assessments ranging from \$115,692 to \$148,241 or from \$30.76 to \$35.90 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$122,478 or \$34.25 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$182,968. The subject property has an improvement assessment of \$151,800 or \$42.45 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .65 of a mile from the subject property. The comparables are improved with two-story dwellings of frame or brick exterior construction ranging in size from 3,442 to 3,679 square feet of living area. The dwellings were built from 1989 to 1998. Each comparable has a basement, central air conditioning, one or two fireplaces and a garage ranging in size from 630 to 872 square feet of building area. Comparable #4 has an inground swimming pool and comparable #5 has a gazebo. The comparables have improvement assessments ranging from \$153,530 to \$173,996 or from \$44.10 to \$47.29 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's four comparables, as well as board of review comparable #4 which differ from the subject in dwelling size and/or they have an inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, #3 and #5, which are similar to the subject in location and overall, most similar to the subject in dwelling size, design, age and some features. These best comparables have improvement assessments ranging from \$153,530 to \$173,996 or from \$44.10 to \$47.29 per square foot of living area. The subject's improvement assessment of \$151,800 or \$42.45 per square foot of living area falls below the range established by the best comparables in the record. After

considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
