

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gary & Christina Mann  
DOCKET NO.: 22-00600.001-R-1  
PARCEL NO.: 14-33-203-002

The parties of record before the Property Tax Appeal Board are Gary & Christina Mann, the appellants, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$39,255  
**IMPR.:** \$148,670  
**TOTAL:** \$187,925

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of brick exterior construction with 3,201 square feet of living area. The dwelling was constructed in 1977 and is approximately 45 years old. Features of the home include a basement, central air conditioning, a fireplace, a 754 square foot garage and a shed.<sup>1</sup> The property has an approximately 37,768 square foot site and is located in Deer Park, Ela Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .8 of a mile from the subject property. The comparables are improved with two-story

dwelling of brick or wood siding exterior construction ranging in size from 2,727 to 3,297 square feet of living area. The dwellings are 45 or 46 years old. Each comparable has a basement, central air conditioning and a garage ranging in size from 483 to 754 square feet of building area. Three comparables each have either one or two fireplaces. The comparables have improvement assessments ranging from \$85,522 to \$111,288 or from \$31.36 to \$33.75 per square foot of living area.

Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$104,192 or \$32.55 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$187,925. The subject property has an improvement assessment of \$148,670 or \$46.44 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .36 of a mile from the subject property. The comparables are improved with two-story dwellings of brick or brick and frame exterior construction ranging in size from 3,057 to 3,297 square feet of living area. The dwellings were built in 1976 or 1977. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 754 to 988 square feet of building area. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$143,588 to \$156,661 or from \$46.97 to \$47.69 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board has given less weight to the appellants' comparables #1 and #3 due to their smaller dwelling sizes, when compared to the subject. The Board has given reduced weight to board of review comparable #2 due to its inground swimming pool, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellants' comparables #2 and #4, along with board of review comparables #1, #3, #4 and #5, which are similar to the subject in location, dwelling size, design, age and some features. These best comparables have improvement assessments ranging from \$101,697 to \$156,661 or from \$31.87 to \$47.52 per square foot of living area. The subject's improvement assessment of \$148,670 or \$46.44 per

square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
