

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jan Bevilacqua
DOCKET NO.: 22-00646.001-R-1
PARCEL NO.: 14-07-301-066

The parties of record before the Property Tax Appeal Board are Jan Bevilacqua, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$41,639
IMPR.: \$163,574
TOTAL: \$205,213

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,700 square feet of living area. The dwelling was constructed in 2000 and is approximately 22 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and a garage with 669 square feet of building area. The property has a 12,197 square foot site and is located in North Barrington, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located in the same assessment neighborhood code as the subject and from .5 of a mile to 1.6 miles from the subject property. The comparables are improved with 2-story dwellings of brick exterior construction that range in size from 3,142 to 3,587 square feet of living area. The dwellings range in age from 27 to 31 years old. Each comparable has an unfinished basement, two of walk-out design, central air conditioning, one to three fireplaces and a garage ranging in size from 770 to 1,528 square feet of building area. The comparables have improvement assessments that range from \$109,943 to \$129,054 or from \$31.01 to \$39.59 per square foot of living area. Based on this

evidence, the appellant requested the subject's improvement assessment be reduced to \$134,032 or \$36.22 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$205,213. The subject property has an improvement assessment of \$163,574 or \$44.21 square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three suggested equity comparables located within the same assessment neighborhood code as the subject property and within .5 of a mile from the subject property. The comparables are improved with 2-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 3,618 to 3,794 square feet of living area. The dwellings were built from 1989 to 2001. The comparables each have an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 598 to 890 square feet of building area. Comparable #1 has a finished lower level. The comparables have improvement assessments ranging from \$161,660 to \$169,449 or from \$42.61 to \$46.83 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables due to their smaller dwelling size, larger garage size and/or location of over one mile away from the subject. The Board gave reduced weight to board of review comparable #1, due to its finished lower level, a feature the subject lacks.

The Board finds the best evidence of improvement assessment to be board of review comparables #2 and #3. The Board finds that these two comparables are most similar to the subject in location, design, age, dwelling size and some features. These two most similar comparables have improvement assessments of \$161,660 and \$168,436 or \$42.61 and \$45.58 per square foot of living area. The subject's improvement assessment of \$163,574 or \$44.21 per square foot of living area, is bracketed between the two best comparables contained in the record. Based on this record and after considering adjustments to the two comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
