

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Burchill
DOCKET NO.: 22-00660.001-R-1
PARCEL NO.: 14-15-409-055

The parties of record before the Property Tax Appeal Board are Jeffrey Burchill, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$63,394
IMPR.: \$282,318
TOTAL: \$345,712

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,407 square feet of living area. The dwelling was constructed in 2016 and is approximately 6 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 765 square foot garage. The property has a 23,769 square foot site and is located in Kildeer, Elia Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.51 of a mile from the subject. The parcels range in size from 13,634 to 22,646 square feet of land area and are improved with 2-story homes of brick or wood siding exterior construction ranging in size from 3,839 to 4,811 square feet of living area. The dwellings range in age from 7 to 14 years old. Each home has a basement, one of which is a walkout, central air conditioning, and a garage

ranging in size from 698 to 946 square feet of building area. Three homes each have a fireplace. The comparables sold from January to October 2021 for prices ranging from \$665,000 to \$775,000 or from \$150.69 to \$176.61 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$345,712. The subject's assessment reflects a market value of \$1,039,423 or \$235.86 per square foot of living area, land included, when using the 2022 three year average median level of assessment for Lake County of 33.26% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.18 of a mile from the subject. The parcels range in size from 19,971 to 33,166 square feet of land area and are improved with 2-story homes of frame or brick with frame exterior construction ranging in size from 3,766 to 4,109 square feet of living area. The dwellings were built from 2012 to 2020. Each home has a basement, central air conditioning, a fireplace, and a garage ranging in size from 788 to 865 square feet of building area. The comparables sold from April 2020 to June 2022 for prices ranging from \$850,000 to \$1,000,000 or from \$206.86 to \$247.40 per square foot of living area, including land.

The board of review noted the appellant's comparables are different style homes than the subject and the board of review's comparables are the same style home as the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #1, #3, and #5, which sold less proximate in time to the assessment date than the other sales in this record. The Board gives less weight to the appellant's comparables #1, #2, and #4, which are less similar to the subject in age or site size than the other sales in this record.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #2 and #4, which sold more proximate in time to the assessment date and are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$688,000 to \$1,000,000 or from \$175.51 to \$247.40 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,039,423 or \$235.86 per square foot of living area, including land, which is above the range established by the best comparable sales in terms of total market value but within the range on a price per square foot basis, and appears to be justified after considering

appropriate adjustments to the best comparables for differences from the subject, such as the smaller dwelling sizes of the best comparables compared to the subject. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
