

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Johnson
DOCKET NO.: 22-00685.001-R-1
PARCEL NO.: 16-33-103-011

The parties of record before the Property Tax Appeal Board are Edward Johnson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,563
IMPR.: \$69,946
TOTAL: \$108,509

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 1,254 square feet of living area. The dwelling was constructed in 1953 and is approximately 69 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a garage with 504 square feet of building area. The property has approximately 8,100 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables located in the same assessment neighborhood as the subject and within .3 of a mile from the subject property. The comparables are improved with 1-story dwellings of either wood siding or brick exterior construction ranging in size from 1,128 to 1,681 square feet of living area. The dwellings range in age from 68 to 72 years old. Each comparable is reported to have a basement, two with finished area, central air conditioning and a garage ranging in size from 240 to 287 square feet of building area. One comparable has one fireplace. The comparables have improvement assessments that range from \$53,137 to \$79,386 or from \$46.40 to \$47.23 per square foot of living area. Based on

this evidence, the appellant requested the subject's improvement assessment be reduced to \$58,875 or \$46.95 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$108,509. The subject property has an improvement assessment of \$69,946 or \$55.78 square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables located in the same assessment neighborhood as the subject and within .21 of a mile from the subject property. The comparables are improved with 1-story dwellings of brick exterior construction ranging in size from 880 to 1,177 square feet of living area. The dwellings were built from 1951 to 1958. The comparables each have a basement with finished area, central air conditioning and a garage ranging in size from 228 to 384 square feet of building area. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$49,484 to \$67,525 or from \$55.18 to \$57.42 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to appellant's comparables #1 and #4 as well as board of review comparables #, #2 and #3, due to their dissimilar dwelling sizes when compared to the subject. Furthermore, appellant's comparable #1 and #4 have unfinished basements unlike the subject.

The Board finds the best evidence of improvement assessment to be the appellant's comparables #2 and #3 along with board of review comparables #1, #4 and #5. The Board finds that these comparables are most similar to the subject in location, design, dwelling size, age and some features. These most similar comparables have improvement assessments ranging from \$53,137 to \$67,525 or from \$47.11 to \$57.42 per square foot of living area. The subject's improvement assessment of \$69,946 or \$55.78 per square foot of living area, falls within the range of the best comparables on a square foot basis but is greater on an overall improvement assessment basis. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
