

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Kogen
DOCKET NO.: 22-00691.001-R-1
PARCEL NO.: 16-32-411-173

The parties of record before the Property Tax Appeal Board are Robert Kogen, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$75,909
IMPR.: \$249,696
TOTAL: \$325,605

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 4,618 square feet of living area. The dwelling was constructed in 1999 and is approximately 23 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces and a garage with 815 square feet of building area. The property has an approximately 18,147 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within .3 of a mile from the subject property. The comparables are improved with 2-story dwellings of either brick or wood siding exterior construction ranging in size from 4,003 to 5,014 square feet of living area that are from 21 to 27 years old. Each comparable has a basement, two with finished area, central air conditioning, either one or two fireplaces and a garage ranging from 670 to 768 square feet of building area. The comparables have improvement assessments ranging from \$176,456 to \$231,282 or from \$44.08 to \$46.13 per square foot of living area. Based on this evidence, the

appellant requested the subject's improvement assessment be reduced to \$207,348 or \$44.90 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$325,605. The subject property has an improvement assessment of \$249,696 or \$54.07 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within .17 of a mile from the subject property. The comparables are improved with either part 1-story and part 2-story¹ or 2-story dwellings of brick or brick and wood siding exterior construction ranging in size from 4,458 to 4,861 square feet of living area that were built from 1995 to 2002. Each comparable has a basement, two with a finished area, central air conditioning, one fireplace and a garage ranging in size from 671 to 805 square feet of building area. Comparable #4 has an inground swimming pool. The comparables have improvement assessments ranging from \$232,192 to \$265,278 or from \$52.08 to \$54.86 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #3 as well as board of review's comparables #2 and #4 due to their feature of a finished basement, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #4 along with board of review comparables #1 and #3. The Board finds that these comparables are most similar to the subject in location, age, dwelling size and features. These most similar comparables have improvement assessments ranging from \$198,638 to \$265,278 or from \$44.37 to \$54.57 per square foot of living area. The subject property has an improvement assessment of \$249,696 or \$54.07 per square foot of living area, which falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

¹ The board of review's comparable #2 has a ground floor area of 1,277 square feet and an above ground area of 4,541 square feet, suggesting the dwelling is a part 2-story.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
