

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeff Lazarus
DOCKET NO.: 22-00710.001-R-1
PARCEL NO.: 16-32-308-012

The parties of record before the Property Tax Appeal Board are Jeff Lazarus, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$56,954
IMPR.: \$156,399
TOTAL: \$213,353

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,395 square feet of living area. The dwelling was constructed in 1972 and is approximately 50 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and a garage containing 462 square feet of building area. The property has an approximately 10,880 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within .4 of a mile from the subject property. The comparables are improved with 1-story dwellings of either brick or wood siding exterior construction ranging in size from 2,176 to 2,669 square feet of living area that range in age from 46 to 51 years old. Each comparable has a basement, one with finished area, central air conditioning, one fireplace and a garage ranging in size from 420 to 484 square feet of building area. The comparables have improvement assessments ranging from \$98,888 to \$125,244 or from \$43.40 to \$47.78 per square foot of living area. Based on this evidence, the appellant

requested the subject's improvement assessment be reduced to \$108,792 or \$45.42 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$213,353. The subject property has an improvement assessment of \$156,399 or \$65.30 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables that are in the same assessment neighborhood code as the subject and located within .29 of a mile from the subject property. The comparables are improved with 1-story dwellings of brick exterior construction ranging in size from 2,261 to 2,378 square feet of living area that were built from 1971 to 1976. Each comparable has an unfinished basement, central air conditioning and a garage containing either 441 or 462 square feet of building area. Two comparables each have one fireplace. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$147,678 to \$157,337 or from \$64.46 to \$66.39 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparable #2 due to its finished basements, a feature the subject lacks. The Board has given less weight to board of review comparable #2 due to its feature of an inground swimming pool, an amenity the subject lacks. The Board has given reduced weight to appellant's comparable #3, which appears to be an outlier when compared to other comparables in the record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #4 along with board of review comparables #1, #3 and #4. The Board finds that these comparables are most similar to the subject in location, design, age, dwelling size and features. These most similar comparables have improvement assessments ranging from \$115,825 to \$157,337 or from \$43.40 to \$66.39 per square foot of living area. The subject property has an improvement assessment of \$156,399 or \$65.30 per square foot of living area, which falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement assessment was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
