

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Debra Sanger
DOCKET NO.: 22-00731.001-R-1
PARCEL NO.: 16-29-110-013

The parties of record before the Property Tax Appeal Board are Debra Sanger, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,164
IMPR.: \$292,025
TOTAL: \$345,189

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and wood siding exterior construction with 3,964 square feet of living area. The dwelling was constructed in 2008. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and an attached 650 square foot garage. The property has an 11,591 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject property. The comparables are improved with two-story dwellings of brick exterior construction that range in size from 3,516 to 4,461 square feet of living area. The comparables range in age from 14 to 17 years old and have basements with finished area. Each comparable has central air conditioning,

one fireplace and an attached garage that ranges in size from 556 to 841 square feet of building area. The comparables have improvement assessments that range from \$233,814 to \$303,324 or from \$65.23 to \$67.99 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$262,813 or \$66.30 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$345,189. The subject property has an improvement assessment of \$292,025 or \$73.67 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on ten equity comparables with the same assessment neighborhood code as the subject property. For clarity purposes, the second grid analysis has been renumbered by the Board as comparables #6 through #10. The comparables are improved with two-story dwellings of brick, wood siding, or brick and wood siding exterior construction ranging in size from 3,665 to 4,148 square feet of living area. The homes were built from 2002 to 2014 and have basements with three comparables having finished area. Each comparable has central air conditioning, one or two fireplaces and an attached garage that ranges in size from 420 to 735 square feet of building area. The comparables have improvement assessments that range from \$280,452 to \$340,294 or from \$70.50 to \$87.23 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted fourteen equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #3 and #4 which are less similar in dwelling size to the subject dwelling. The Board also gives less weight to the board of review comparables #1, #2, #4, #5, #7, #8 and #9 which have unfinished basements when compared to the subject's finished basement.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are relatively similar to the subject in location, age, dwelling size, basement finish and most features. These five comparables have improvement assessments that range from \$259,880 to \$332,206 or from \$65.23 to \$87.23 per square foot of living area. The subject's improvement assessment of \$292,025 or \$73.67 per square foot of living area falls within the range established by the best comparables in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the

appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
