

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brent Hashiguchi
DOCKET NO.: 22-00791.001-R-1
PARCEL NO.: 16-09-101-008

The parties of record before the Property Tax Appeal Board are Brent Hashiguchi, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,688
IMPR.: \$106,790
TOTAL: \$176,478

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,303 square feet of living area. The dwelling was constructed in 1976 and is approximately 46 years old. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 399 square foot attached garage. The property has an approximately 13,725 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick or wood siding exterior construction ranging in size from 2,346 to 2,860 square feet of living area. The dwellings are 46 or 57 years old. The appellant reported each comparable has a concrete slab foundation, central air conditioning, one

fireplace and a garage ranging in size from 484 to 600 square feet of building area. The comparables have improvement assessments ranging from \$79,479 to \$103,007 or from \$33.75 to \$36.02 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$80,835 or \$35.10 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$176,478. The subject property has an improvement assessment of \$106,790 or \$46.37 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject. The comparables are improved with two-story dwellings of brick and wood siding or wood siding exterior construction ranging in size from 2,223 to 2,548 square feet of living area. The dwellings were built from 1970 to 1976. The board of review reported one comparable has a full basement with finished area, and three comparables each have a concrete slab foundation. Each comparable has central air conditioning, one or two fireplaces, and a garage ranging in size from 506 to 606 square feet of building area. The comparables have improvement assessments ranging from \$108,599 to \$134,435 or from \$46.55 to \$55.74 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight suggested equity comparables for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #4 along with board of review comparables #1 and #2 due to differences in age, dwelling size, and/or foundation type when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and board of review comparables #3 and #4. These comparables are most similar to the subject in location, dwelling size, age, foundation type, and/or most features. These three comparables have improvement assessments ranging from \$84,244 to \$112,770 or from \$35.91 to \$50.73 per square foot of living area. The subject's improvement assessment of \$106,790 or \$46.37 per square foot of living area falls within the range established by the best comparables in the record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
