

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anuj Srivastava
DOCKET NO.: 22-00825.001-R-1
PARCEL NO.: 14-03-107-026

The parties of record before the Property Tax Appeal Board are Anuj Srivastava, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,581
IMPR.: \$157,543
TOTAL: \$204,124

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,236 square feet of living area. The dwelling was built in 2016 and is approximately 6 years old. Features of the home include an unfinished basement, central air conditioning, and an attached 578 square foot garage. The property has an approximately 13,673 square foot site and is located in Hawthorn Woods, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable properties located in the same assessment neighborhood code as the subject property and within 0.59 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 3,222 to 3,378 square feet of living area. The dwellings are either 5 or 6 years old. Each comparable has an unfinished

basement, central air conditioning, one fireplace, and an attached garage ranging in size from 510 to 770 square feet of building area. The comparables have improvement assessments ranging from \$127,476 to \$148,908 or from \$39.53 to \$44.08 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$136,963 or \$42.32 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$204,124. The subject property has an improvement assessment of \$157,543 or \$48.68 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on ten comparable properties located in the same assessment neighborhood code as the subject property and within 0.63 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,993 to 3,378 square feet of living area. The dwellings were built from 2015 to 2017 and thus would range in age from approximately 5 to 7 years old. Each comparable has an unfinished basement, central air conditioning, and an attached garage ranging in size from 440 to 545 square feet of building area. Eight comparables each have one fireplace. The comparables have improvement assessments ranging from \$146,239 to \$165,473 or from \$48.68 to \$48.99 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of fourteen comparable properties for the Board's consideration. The Board finds each of the parties' comparables to be similar to the subject in location, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$127,476 to \$165,473 or from \$39.53 to \$48.99 per square foot of living area. The subject's improvement assessment of \$157,543 or \$48.68 per square foot of living area falls within the range established by the comparables in this record. Based on this record and after considering adjustments to the comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
