

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cary Goldberg
DOCKET NO.: 22-00828.001-R-1
PARCEL NO.: 14-03-401-020

The parties of record before the Property Tax Appeal Board are Cary Goldberg, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$34,191
IMPR.: \$114,799
TOTAL: \$148,990

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 3,084 square feet of living area. The dwelling was built in 1989 and is approximately 33 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and an attached 936 square foot garage. The property has an approximately 44,466 square foot site and is located in Lake Zurich, Ela Township, Lake County.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable properties located in the same assessment neighborhood code as the subject property and from 0.08 of a mile to 1.22 miles from the subject. The comparables are improved with 2-story dwellings of brick exterior construction ranging in size from 2,542 to 3,699 square feet of living area. The dwellings range in age from 32 to 45 years old. Each comparable has an

unfinished basement, central air conditioning, one fireplace, and an attached garage ranging in size from 420 to 988 square feet of building area. The comparables have improvement assessments ranging from \$81,188 to \$114,726 or from \$31.02 to \$32.95 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$98,379 or \$31.90 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,990. The subject property has an improvement assessment of \$114,799 or \$37.22 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on five comparable properties located in the same assessment neighborhood code as the subject property and from 0.18 of a mile to 1.30 miles from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,793 to 3,150 square feet of living area. The dwellings were built from 1984 to 1994 and thus would range in age from approximately 28 to 38 years old. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces, and an attached garage ranging in size from 588 to 1,039 square feet of building area. The comparables have improvement assessments ranging from \$105,526 to \$118,240 or from \$37.54 to \$38.03 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables as well a board of review comparable #5 due to differences in dwelling size when compared to the subject and/or which are located over one mile from the subject, thus being less proximate in location to the subject than other comparables in this record.

The Board finds the best evidence of assessment equity to be the board of review's remaining comparables which are similar to the subject in location, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$105,526 to \$118,240 or from \$37.54 to \$38.00 per square foot of living area. The subject's improvement assessment of \$114,799 or \$37.22 per square foot of living area falls within the range established by the best comparables in the record on an overall improvement assessment basis but below the range on a per square foot basis. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
