

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas Wilkinson
DOCKET NO.: 22-00829.001-R-1
PARCEL NO.: 11-16-419-012

The parties of record before the Property Tax Appeal Board are Thomas Wilkinson, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$69,611
IMPR.: \$203,080
TOTAL: \$272,691

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,552 square feet of living area. The dwelling was constructed in 2015 and is approximately 7 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace, and a 528 square foot garage. The property has an approximately 5,225 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property and within 0.15 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 2,689 to 3,183 square feet of living area. The dwellings range in age from 5 to 14 years old. Each comparable has an unfinished basement,

central air conditioning, one or two fireplaces, and a garage ranging in size from 400 to 538 square feet of building area. The comparables have improvement assessments that range from \$182,067 to \$213,027 or from \$60.19 to \$72.29 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$170,856 or \$66.95 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$272,691. The subject property has an improvement assessment of \$203,080 or \$79.58 per square foot of living area.

The board of review submitted a copy of a Multiple Listing Service datasheet for the subject's proposed new construction in November 2014 for \$899,000 or \$351.17 per square foot of living area, land included, based the builder's estimate of 2,560 square feet of living area. The listing was canceled in December 2014.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables located in the same assessment neighborhood code as the subject property and within 0.32 of a mile from the subject. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,667 to 2,953 square feet of living area. The dwellings were built from 2006 to 2011 and thus would range in age from approximately 11 to 16 years old. Each comparable has an unfinished basement, central air conditioning, one to three fireplaces, and a garage ranging in size from 465 to 713 square feet of building area. The comparables have improvement assessments that range from \$210,860 to \$228,308 or from \$77.15 to \$82.52 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #4 as well as board of review comparable #5 which are less similar to the subject in dwelling size than other comparables in this record.

The Board finds the best evidence of assessment equity to be the parties' remaining comparables which are similar to the subject in location, design, age, dwelling size, and most features. These comparables have improvement assessments that range from \$182,067 to \$228,308 or from \$64.47 to \$82.52 per square foot of living area. The subject's improvement assessment of \$203,080 or \$79.58 per square foot of living area falls within the range established by the best

comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
