

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANTS: Jeff & Cheryl Fears DOCKET NO.: 22-00878.001-R-1 PARCEL NO.: 15-32-202-021

The parties of record before the Property Tax Appeal Board are Jeff & Cheryl Fears, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$43,191 **IMPR.:** \$167,485 **TOTAL:** \$210,676

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,282 square feet of living area. The dwelling was constructed in 1999 and is approximately 23 years old. Features of the home include a basement with finished area, central air conditioning and a garage with 630 square feet of building area. The property has an 11,730 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four comparables that have the same assessment neighborhood code as the subject and are located within .09 of a mile from the subject. The comparables are improved with two-story dwellings of wood siding exterior construction containing 2,912 or 3,420 square feet of living area. The dwellings are 23 or 24 years old. The comparables each have a basement, three of which have finished area. Each comparable has central air conditioning and a garage ranging in size from 610 to 672

square feet of building area. Three comparables each have a fireplace. The comparables have improvement assessments ranging from \$136,360 to \$165,787 or from \$43.06 to \$48.48 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$150,479 or \$45.85 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$210,676. The subject property has an improvement assessment of \$167,485 or \$51.03 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparables that have the same assessment neighborhood code as the subject and are located within .06 of a mile from the subject. The comparables are improved with two-story dwellings of frame exterior construction containing from 2,953 to 3,462 square feet of living area. The dwellings were built in 1998 or 1999. The comparables each have a basement, three of which have finished area. Each comparable has central air conditioning and a garage ranging in size from 589 to 704 square feet of building area. Four comparables each have a fireplace. The comparables have improvement assessments ranging from \$146,571 to \$174,147 or from \$49.63 to \$51.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparables #3 and #4 along with the board of review comparables #3 and #5 which are less similar to the subject in dwelling size and/or lack a basement finish, unlike the subject.

The Board finds the best evidence of assessment equity to be the appellants' comparables #1 and #2 along with board of review comparables #1, #2 and #4 which are relatively similar to the subject in location, dwelling size, age, basement finish and other features. These five comparables have improvement assessments ranging from \$147,252 to \$174,147 or from \$43.06 to \$51.98 per square foot of living area. The subject's improvement assessment of \$167,485 or \$51.03 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
