

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mario DeBartolo  
DOCKET NO.: 22-00887.001-R-1  
PARCEL NO.: 15-30-303-011

The parties of record before the Property Tax Appeal Board are Mario DeBartolo, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$47,275  
**IMPR.:** \$143,327  
**TOTAL:** \$190,602

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 3,519 square feet of living area. The dwelling was constructed in 1980 and is approximately 42 years old. Features of the home include an unfinished basement, central air conditioning, two fireplaces, and a 770 square foot garage. The property has a 40,946 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with regard to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick exterior construction ranging in size from 3,136 to 3,996 square feet of living area. The dwellings range in age from 35 to 44 years old. Each home has a basement with two having finished area, central air conditioning, one to three

fireplaces, and a garage ranging in size from 792 to 936 square feet of building area. Comparable #2 has an inground swimming pool. The comparables have improvement assessments ranging from \$109,143 to \$144,124 or from \$32.52 to \$36.31 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$122,901 or \$34.92 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$190,602. The subject property has an improvement assessment of \$143,327 or \$40.73 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The comparables are improved with 2-story homes of brick or brick and frame exterior construction ranging in size from 3,407 to 3,648 square feet of living area. The dwellings were built from 1979 to 1985. Each home has a basement with one having finished area, central air conditioning, one to three fireplaces, and a garage ranging in size from 420 to 1,118 square feet of building area. The comparables have improvement assessments ranging from \$141,846 to \$149,338 or from \$40.94 to \$42.31 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's improvement assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #3 along with board of review comparable #3 which feature a finished basement area or an inground swimming pool, unlike the subject which lacks these features.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 and the board of review's comparables #1, #2, #4 and #5, which are relatively similar to the subject in location, dwelling size, age, unfinished basement area and most features. These comparables have improvement assessments that range from \$127,363 to \$149,338 or from \$36.31 to \$42.31 per square foot of living area. The subject's improvement assessment of \$143,327 or \$40.73 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
