

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronald Zingler  
DOCKET NO.: 22-00891.001-R-1  
PARCEL NO.: 15-29-404-013

The parties of record before the Property Tax Appeal Board are Ronald Zingler, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$31,271  
**IMPR.:** \$129,242  
**TOTAL:** \$160,513

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,682 square feet of living area. The dwelling was constructed in 1979 and is approximately 43 years old. Features of the home include a 1,322 square foot unfinished basement, central air conditioning, and a 484 square foot garage. The property has a 7,200 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four comparables located within the same assessment neighborhood as the subject. The comparables consist of 2-story homes of wood siding exterior construction ranging in size from 2,307 to 2,496 square feet of living area. The dwellings are from 38 to 46 years old. Each home has from a 780 to a 1,215 square foot unfinished basement, central air conditioning, and from a 400 to a 440 square

foot garage. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$92,127 to \$102,321 or from \$39.23 to \$42.24 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$108,956 or \$40.62 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$160,513. The subject property has an improvement assessment of \$129,242 or \$48.19 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five comparables located within the same assessment neighborhood as the subject. The comparables consist of 2-story homes of wood siding exterior construction with 2,646 or 2,682 square feet of living area. The dwellings were built in 1979 or 1985. Each comparable has a 1,215 or a 1,322 square foot basement with three having finished area, central air conditioning, one or two fireplaces, and either a 420 or a 484 square foot garage. Comparable #1 has an inground swimming pool. The comparables have improvement assessments ranging from \$130,614 to \$137,825 or from \$48.70 to \$51.40 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which are less similar to the subject in dwelling size or basement size than the board of review's comparables. The Board also gives less weight to board of review comparable #1 which has an inground swimming pool, unlike the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2 through #5. These comparables are identical or very similar to the subject in location, age, dwelling size, and basement size, except each comparable has one or two fireplaces and three comparables have basement finish, which are not features of the subject property. These four comparables have improvement assessments that range from \$130,614 to \$136,660 or from \$48.70 to \$51.40 per square foot of living area. The subject's improvement assessment of \$129,242 or \$48.19 per square foot of living area falls slightly below the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
